What happens when a Hydro daughter and the son of the great 3S Danica make a baby? We are about to find out. Star of the Century has some big shoes to fill but with a pedigree that includes HH Samurai, 3S Danica, 3S Touchdown Tari, WS Hydro, Tejas Star and more he's set up for success. He will be one to watch. His half sister just sold for \$19k at the Horn Showcase 2023 Sale with many more selling for top dollar in sales and private treaty
